

6th International Conference on Ethnomathematics
Medellín, Colombia
8 -13 July 2018

Despierta en la Vispera, Carlos Jacanamijoy Tisoy, 1997

Invitation

The International Study Group on Ethnomathematics (ISGEM), the Latin-American Network on Ethnomathematics (RELAET) and the University of Antioquia (UdeA) invite students, teachers and researchers in ethnomathematics and members of diverse communities to join the 6th International Conference on Ethnomathematics (ICEm-6), to be held at Medellín, Colombia, from 8th to 13th July 2018.

The ICEms are international conferences take place every four years, aiming to bring together ethnomathematicians from different parts of the world, as well as members of other communities (academic or not) who are interested to know, share, debate or divulgate their results, whether theoretical or methodological about research and practice of the ethnomathematics

Previous international conferences took place in many continents:

- 1^a ICEm: 1998, Granada (Spain).
- 2^a ICEm: 2002, Ouro Preto (Brazil).
- 3^a ICEm: 2006, Auckland (New Zealand).
- 4^a ICEm: 2010, Towson (United States).
- 5^a ICEm: 2014, Maputo (Mozambique).

All information will be soon at:
<http://icem6.etnomatematica.org/>
